

RAMBLING RED

TAKE IT OUTSIDE

Do you like to take it outside? Then this wine is for you! Portable wine in a light plastic bottle ...let's go! At one-sixth the weight of glass, this wine is ready for your next outdoor adventure. This plastic wine bottle is portable and durable, reusable and recyclable. BPA free and a handy screw cap means it's ready when you are.

TASTING TEMPTATIONS

Notes of marshmallows and campfire smoke fill the nose followed by a full bodied profile of ripe cherries and warm spice. An off-dry finish keeps your palate ready for adventure.

ADVENTURE NOTES

Best uses include camping, hiking, tailgating, outdoor concerts, fall fishing or celebratory parking lot gatherings after a powder day.
